

Friday Morning Mixed:

Come join us on Friday mornings for some good curling, a few laughs, and coffee and cookies after the game.

We go on the ice at 10:00am. Plan to arrive for 9:45 so we can make up the teams.

No commitment is required. Come out when you can. All skill levels are welcome.

Pick-up games can be 6 or 8 ends as the curlers choose. The game format can be 4 on 4, or 2 on 2 depending on the number of curlers.

This is your opportunity to meet other curlers (men & women), try different positions if you wish, and improve your skills. Come on out – *“it’s Friday, try that shot”* that you might not normally try during a regular game!!

Friday Evening Fun:

In addition, the Friday night curling is well under way. We’re on ice at 5.30pm and play in a pick-up format, followed by beverages and a bite to eat. Whether it’s potluck or something ordered in from a local eatery is usually determined a day or two ahead (and the food is always good!).

It’s a fun social time to practice, improve your game and try unusual shots in a no-pressure environment.

All ages, skill levels and new curlers welcome.

For further information, contact the Club – by phone at 705-653-4433 or email at meyerssports@persona.ca

Cost for non-members to play is \$10 per time up to five (free for current fitness members). It gives you the opportunity to try without commitment to a membership immediately. Brooms, sticks and grippers will be available for your use.
