

SENIOR MEN'S CURLING

Come out for some male comradery – every Thursday at 1:30pm. One 8-end game is played and, as in all curling, a beverage of your choice is available after the game.

Team entry is not required. It's a tag draw before the start of the game, making up teams from the curlers present that particular day. No commitment as in league play.

Instruction by experienced curlers if you want to come out and try. Sticks, brooms and grippers are available from the club. Non-member new curlers can play for a small fee of \$10.00 per game up to 5 times.

A good time, fun curling and fellowship.
