## *Village Voices donate to club*

By Barb Hobart

Village Voices held their Christmas concerts on Friday, December 13 and Saturday, December 14. Once again, we noticed how well the curling club was represented in the audience. Because of your continuing support we decided to recognize that by making a donation to the curling club.

On Friday, December 20 we presented Val Pryzbilla with a bank draft for \$1,000. Once again, thank you to all those who helped make our concert a success including the curlers in my choir.

## *High school students try curling*

Students from Grades 10, 11, and 12, and their teachers came out to give curling a try recently and will be returning to the club for more in January. Most caught on quickly, and all had a great time. They learned how to get their rocks to curl, and the different weights required for various shots.

We also had a session on scoring, which can be confusing to first timers. Look out down the road – some may become future curlers here.

# Celebrating Santa's arrival in style

This year's float in the Campbellford Santa Claus parade was a big hit! The weather was perfect as many members turned out to support our float driven by Ken McCulloch. Participating in the parade is lot of fun and so rewarding to see all the happy faces along the parade route, especially those of the children and seniors.

Huge thanks to the organizers and volunteers who made our float a big success and to Patrick Lanoue who lent his wonderful inflatables to the club for the occasion. Also, to Jill Proudfoot for taking photos.

## *Curl 4 Kids was a huge success, again*

By Rooke Meiklejohn

Curl 4 Kids 2024 was an overwhelming success. In all the years we've been running this bonspiel, I've never seen so many food donations. Kudos to everybody who participated.

The bonspiel was won by the Colleen Smith who beat Jeremy Gale in the A final.

In total, we raised \$1,496. In addition, we also collected a mountain of toys. The event supported several families and made a cash donation to the food bank, in addition to the food collected.

These events don't run themselves and mostly what I do is facilitate them. The REAL work in the trenches is done by the volunteers and the sponsors who donate raffle items etc. This year, these people include:

Kitchen Help: Sheri Meiklejohn, Kristy Graham.

Food Prep: Jeremy Gale, Scott Graham.

Raffle Donations: Salt Creek Golf Links, 52 North, Doohers, Empire Cheese, Control Works Inc., Scott & Kristy Graham, Vaughn & Julie Rowe, Belleville Senators, Katherine & Randy Hislop

Silent Auction: Jeremy Gale, thanks so much for the beautiful cutting board!
