## Campbellford/Seymour Community Foundation provides cool cash

On May 2, CDCRC received a grant of \$2,500 to go toward the replacement of the kitchen fridge. It had been making scary noises for a while, but now we will have dependable refrigeration for some time to come. Our thanks for the support of the foundation, once again, in helping CDCRC make purchases for the betterment of the club.

A big thank you to Barry Brown, Jim Kelleher and Hunter Kerr for moving out the old refrigerator.

## Sale Barn Fund Raiser a Big Success

On May 3, volunteers from the club put on lunch at Hoards Station Sale Barn. Thank you to Ron Watson, Jim Kelleher and Ken McCulloch for the donations of hamburger. The burgers were juicy and fresh and enjoyed by the patrons. Working at the sale that day were: Laura Ingram, Dave MacDougall, Deb Samoy, Barb Petherick, Sheilda Owens, Pat Burnside, Jackie Igleheart, Doug Burnside, Gary McCarthy and Eunice Stapley. What a team!!

Pies were donated by many members as well.

The profit for this fund raiser was \$773. Well done, everyone!

## Thanks to all our volunteers

At the end of April, we hosted the Ducks Unlimited Dinner & Auction whose bar sales make quite a bit of money for the club. Thank you, Bev McComb and Darlene Brown for selling drink tickets and Jackie Inglehart and Glenn Brubacher for bartending. In May we hosted the Club 55 Bowling Banquet and the Bennett Lounge was at its maximum capacity. Thank you, Tineke Smit for helping Rachel Whitton tend bar for this event.

Thank you to Ed and Eunice Stapley for coming to the club and helping with the changeover on the ice surface area for summer events.

Thank you, Shawn Young for donating a riding lawn mower to the club and Vic Conte for donating a weed whacker.

Thank you to the Tuesday Ladies Curling League and Thursday Men's Curling League who donated the funds to purchase an ice-making machine for the bar. The machine is in the building and we are excited to get it going!
