CDCRC Update – Highlights of the AGM

The AGM was held August 20 at the club. CDCRC President Nan MacDougall outlined what had been done over the last year. The biggest projects were the installation of a new condenser for the ice-making plant last September and the paving of the parking lot, which was just completed.

Also, all the lighting in the club has now been converted to LED. The cost of the conversion will be recouped over the next couple of years and then the savings in electrical spending will be significant. We expect to save about 50 per cent on our electricity bill, plus we are going to be receiving a rebate from Hydro of about \$1,500.

A big thank you to Gord Reid for all the work he did in this project.

The club received an Ontario Trillium Foundation grant of \$16,000 to pay for the improvements to the squash courts and a Campbellford/Seymour Community Foundation grant of \$2,500 to help pay for the new kitchen fridge.

Gord in action.

Our new fridge. Thanks, Campbellford/Seymour Community Foundation.

A grant committee will continue to look for opportunities to get the money to perform improvements. Some items on the list for capital projects are: new ceiling over the curling ice, steam-room retrofit, kitchen remodel, accessibility improvements.

Fund raising done by volunteers over the last year added up to almost \$10,000. Events such as the Farmers' Bonspiel, Ladies' Bonspiel, Ball Tournament and Squash Tournament are great fundraisers. The Sales Barn catering also adds money to our coffers, as well as league profits and the summer dance.

The club is looking for volunteers to head up committees for the Semi-annual Yard Sale and for the Oldies Dance for next summer. If you are interested, or have another idea to raise money, contact Rachel or a member of the board. You may designate your fund-raising to a particular project, if you like.

Ken McCulloch, Meyers Sports Club President, reported that membership sits at 426 members. Registration night will be Wednesday, September 11. Some proposed changes to the curling draws, if numbers warrant, are the addition of a third draw for Stirling Curling on Monday morning and the addition of a third draw on Wednesday evening. It has also been suggested that the Tuesday evening league do a round robin and then be divided into flights for the remainder of the season.

The election for both boards took place with the following results:

CDCRC Board – returning are Jerry Reid, Carol Currelly-Burnham, John Knox, Jim Kelleher, Sandy Chapman, Vic Conte. Coming onto the Board is Ben McKeown. There is one vacancy.

Meyers Sports Club Board – returning are Natisha Taylor, Fred Veldhuyzen, Cindy Clitherow, Chad Rowe, Kathy Chamberlain. Coming onto the Board are Jackie Igleheart, Michelle Boucher, Pam Vandesteeg, and Amanda Pettey.

The boards met earlier this week to elect their presidents and officers:

AGM Motions

A motion was passed to increase the annual fee by \$20 for the upcoming year.

Motions were passed to alter the following policies:

- Any member can be nominated for the Volunteer of the Year. Previously, current board members were not eligible.
- A financial report, similar to an event summary, shall be filled out by leagues or other groups that collect money in the club. This report will be filed with the club annually.
