Wedding show a big success

The First Annual Campbellford & Area Wedding Show was held on Sunday, September 8. Despite a power outage, it was a huge success and will run again next year.

This event generated just over \$1,000 for the club and encouraged three wedding bookings, which will also generate revenue for the club. It wouldn't have been possible without the organizers, Rachel Whitton and Katherine Nicholas, and the event-day volunteers: Tess Brown, Nan MacDougall, Lorna Watson, Doris Wellman, Bev McComb, Andrea Conte, and Deb Samoy.

Lifestyle and Wellness show attracts a crowd

The First Annual Lifestyle & Wellness Show was held on Sunday, September 15. This event was organized by a separate party and the club received a rental fee.

It was very successful, brought a lot of people through our doors, and we were able to sell Fitness Class Passes. We hope that the event organizers choose to continue to host their event at our facility.
